*Programs of Study are defined by the Classification of Instructional Programs (CIP)		
**The student cohort is based on two factors: 1) Brandman students who received a baccalaureate conferral during the 2014-15 through 2016-17 years, as defined by IPEDS and 2) Brandman students that then appeared in the National Student Clearinghouse (NSC) database with a reported CIP enrollment in a graduate- or professional- level program of study. For students with multiple records of graduate or professional enrollment in NSC's database, the earliest record was utilized.
