

### Los Angeles Harbor College 2018-2019

To view the locations of where the Computing Technology program is offered, please refer to the following: <http://www.brandman.edu/academics/programsByLocation.asp>. For GE requirements please see the General Education Transfer Guide.

Completion of the full CSU or UC IGETC certification (CA), Washington and Oregon state-approved Direct Transfer degrees or other state's equivalent transfer certification prior to the student being admitted, enrolled and attending his/her first session in a bachelor degree program at Brandman satisfies all Brandman University GE requirements except LBSU 302 & 304. Students who matriculate to Brandman with partial GE certifications will have their coursework evaluated on a course by course basis to determine appropriate applicability to each general education category.

**This list includes only the requirements that are commonly seen in transfer, and is not a comprehensive list of all the course requirements within the BA Computing Technology program. For a complete list of program requirements, please refer to the Brandman catalog using the following:** <http://catalog.brandman.edu/business-professional-studies/computing-technology-bs/>

Further information regarding the courses below can be found in Brandman's [Course Articulation Database \(CAD\)](#).

**Courses may be used to fulfill both major and general education requirements.**
