

Palo Verde College 2018-2019

The following information is a guide of courses that transfer to Brandman University to fulfill general education requirements and Business Administration major requirements in the CBE program.

Completion of the full CSU or UC IGETC certification (CA), Washington and Oregon state-approved Direct Transfer degrees or other state's equivalent transfer certification prior to the student being admitted, enrolled and attending his/her first session in a bachelor degree program at Brandman satisfies all Brandman University GE requirements except competency LBSC 315. Students who matriculate to Brandman with partial GE certifications will have their coursework evaluated on a course by course basis to determine appropriate applicability to each general education category.

The Business Administration major includes 34 core competencies. See the catalog for a full list of General Education, Major, and Emphasis competency requirements. Information on transferring prior coursework to meet Brandman competencies can be found in the 2018-2019 catalog.

This list includes only the requirements that are commonly seen in transfer, and is not a comprehensive list of all the course requirements within the BA Competency Based Business Administration program. For a complete list of program requirements, please refer to the Brandman catalog.

Further information regarding the courses below can be found in Brandman's [Course Articulation Database \(CAD\)](#).

All courses must be taken for a grade of B- or higher in order to apply toward competencies. Courses may be used to fulfill both major and general education requirements.

Brandman University Course	Equivalent Palo Verde College Courses	Equivalent Competencies

Degree Requirements & Concentrations

BA Competency Based Business Administration consists of 13 General Education competencies, 34 Business Core competencies and 9 to 14 Emphasis Area competencies.

The Emphasis Areas include the following:

1. General Business(21 Equivalent Credits)
2. Information Systems Management(9 Competencies)
3. Management and Organizational Leadership(12 Competencies)
4. Marketing(14 Competencies)
5. Supply Chains Management and Logistics(9 Competencies)

While it is possible for transfer coursework to meet competency requirements within these emphasis areas, that coursework must be reviewed by an academic dean within the School of Business and Professional Studies, to determine transferability.
