

### Olympic College 2016-2017

The following information is a guide of courses that transfer to Brandman University to fulfill general education requirements and Business Administration major requirements in the CBE program.

Completion of the full CSU or UC IGETC certification (CA), Washington and Oregon state-approved Direct Transfer degrees or other state's equivalent transfer certification prior to the student being admitted, enrolled and attending his/her first session in a bachelor degree program at Brandman satisfies all Brandman University GE requirements except competency LBSC 315. Students who matriculate to Brandman with partial GE certifications will have their coursework evaluated on a course by course basis to determine appropriate applicability to each general education category.

The Business Administration major includes 34 core competencies. See the catalog for a full list of General Education, Major, and Emphasis competency requirements. Information on transferring prior coursework to meet Brandman competencies can be found on pg. 53 of the 2016-2017 catalog.

**This list includes only the competencies that are commonly seen in transfer, and is not a comprehensive list of all the competencies within the Competency-Based BBA Business Administration program. For a complete list of program requirements, please refer to the Brandman catalog pg. 151 using the following: [https://www.brandman.edu/files/documents/academic-catalog-programs/2016-2017\\_Catalog\\_6\\_24\\_16\\_0.pdf](https://www.brandman.edu/files/documents/academic-catalog-programs/2016-2017_Catalog_6_24_16_0.pdf)**

Further information regarding the courses below can be found in Brandman's [Course Articulation Database \(CAD\)](#).

**All courses must be taken for a grade of B- or higher in order to apply toward competencies. Courses may be used to fulfill both major and general education requirements.**

<b>Emphasis Areas</b>		
<p>In addition to the General Education and Business Core competencies, the BBA requires an emphasis area of 9 – 12 competencies. Emphasis areas include:</p> <ol style="list-style-type: none"> <li>1. Information Systems Management</li> <li>2. Management and Organizational Leadership</li> <li>3. Marketing</li> <li>4. Supply Chain Management and Logistics</li> </ol> <p>While it is possible for transfer coursework to meet competency requirements within these emphasis areas, that coursework must be reviewed by an academic dean within the School of Business and Professional Studies, to determine transferability.</p>
