

## Program Licensure Disclosures

**Licensure and Certification:** The Federal Government requires that Institutions make direct disclosures to students who are enrolled in a program that leads to professional licensure or certification. The following Brandman University Programs, Credentials, Certificates, and Authorizations may lead to licensure or certification and/or may help prepare a graduate for a national exam. See below for information that may be applicable to your program.

### School of Arts and Sciences

#### 1. Bachelor of Arts in Legal Studies

- a. *Paralegal Profession Concentration:* Students completing this concentration will meet the qualifications required to sit for the Paralegal Core Competencies Exam (NFPA), to sit for the Certified Paralegal Exam (NALA), and to work as a paralegal within the state of California.

#### 2. Master of Arts in Psychology

- a. *Marriage and Family Therapy Emphasis:* Please see the link below for detailed information about where this program emphasis is offered and in which states licensure requirements are met. The university has not determined whether this emphasis meets licensure or certification requirements in any state that is not listed.

- d. *Combined Marriage and Family Therapy and Professional Clinical Counseling Emphases Option:* This program is offered to California residents only and meets the education requirements for licensure in California as a Marriage and Family Therapist and a Licensed Professional Clinical Counselor. The university has not determined whether it meets licensure or certification requirements in other states

3. **Master of Social Work:** This program meets licensure requirements in California and Washington. The university has not determined whether this program meets the licensure requirements to practice as an MSW in other states. For more information, please direct your questions to the MSW Program Director or to your Academic Advisor.

### School of Nursing and Health Professions

1. **Pre-licensure Accelerated Bachelor of Science Degree in Nursing:** This program is offered to California residents only. This program prepares students to pass the National Council Licensure Examination (NCLEX). Once the NCLEX has been passed, the student may apply for licensure in their state of choice. The university has not determined whether this program meets any applicable licensure requirements in states other than California.

2. **Bachelor of Science in Nursing:** This program is only offered to previously licensed nurses (for exceptions, see the academic catalog or speak to the Dean).
3. **Doctor of Nursing Practice (DNP) Degree in Nursing:** The DNP is offered to licensed nurses who are practicing in their home state. There are two available specialties within the program which may also be taken as a post-doctoral certificate:
  - a. *Psychiatric and Mental Health Nurse Practitioner:* The national certification exam for graduates of this program is offered by the American Nurses Credentialing Center (ANCC).
  - b. *Family Across the Lifespan Nurse Practitioner:* The national certification exam for graduates of this program is offered by the American Nurses Credentialing Center (ANCC) and/or the American Association of Nurse Practitioner's Certification Program (AANPCP).

The university has not determined whether the passage of a national certification exam upon completion of a specialty or post-doctoral certification is recognized and/or treated equally by each individual state.
