Notes:

1. Cases where a student did not upload an assignment (coded as "no submission" in the extract from GradeMark) were excluded from the analysis.
2. In cases where the mastery assignment was a group project, only the assignment submitted by the group leader was included in the analysis.
3. All rows may not add up to 100% reflecting missing rubric points.
4. The rubric for SSCU-494 was revised in the middle of the collection period to account for the Applied Learning and Innovation and Creativity ILOs. A data table has been generated for the rubric used from Fall 1 2011 to Fall 1 2012. An additional table was generated for the rubric used during Fall 2 2012.
